

Marc Brulot-Sawchyn

I am an undergraduate student at the University of Victoria looking for a full-time summer 2024 position and ideally part-time work during the 2024-25 academic year. I am respectful, very hardworking, a quick learner, and I work well independently or with others. My goal is to expand my skill set and earn funds for my university tuition.

Work Experience

Market Research for Lisa Stevens - CCO at Power to Give

March 2024 - Present - *Freelance* - Researching 100 charitable organizations, recording data in Excel, and reporting on findings.

Shorncliffe Construction Ltd. - Contractor

May 2023 - August 2023 - *Full-time* - Hired as a general laborer, quickly promoted to independent tasks including back framing, roof sheathing and framing, and assisting in large concrete pours.

Willows Pizza - Pizza Restaurant

March 2019 - Present - *Part-time* - Hired as a dishwasher, promoted to food prep and kitchen operations including cleaning and organizing products, making deliveries, and supporting the restaurant manager.

Oak Bay Seafood - Seafood Market / Fish and Chips Restaurant

October 2021 - August 2022 - *Full-time* - Hired as fishmonger/retail worker. Tasks included food preparation, customer service, and cooking.

Fairway Market Oak Bay - Grocery Store

August 2018 - February 2020 - *Part time* - Hired as grocery clerk. Tasks included stocking and organizing shelves, unloading and processing deliveries, and customer service (cash and deli).

Education

University of Victoria - Peter B. Gustavson School of Business

Completed two years of study toward my Bachelor's Degree.

My GPA for the 2023-24 academic year is 8.21 (out of 9)

Received an entrance Scholarship to the School of Engineering.

Oak Bay High School Graduate - 2021

Strong academic student, extra-curricular activities limited due to Covid-19.

Fundraising & Volunteering

From 2013-2018 I ran six clothing drives for Our Place Society, raised \$2567 for Muscular Dystrophy, and \$1100 for Free The Children through fundraising events that my siblings and I organized and managed.
