## Education

Graduated Carpentry Framing and Forming Foundations, BCIT, October 2023 - March 2024

Graduated Heritage Woods Secondary, Port Moody, 2019 - 2023

## Work Experience

*Chef/Dishwasher, Cactus Club Cafe, October 2022 - September 2023*

I started as dishwasher at Cactus Club, but after a couple of months I was promoted to a chef on the appetizer station. As a chef I made all the appetizers and some main courses, kept stations clean, and prepared food for the next day.

*Candy Attendant, Pacific National Exhibition, June 2022 - September 2022*

As a Candy Attendant I sold, made product, and maintained the stall I was working in. While delivering excellent customer service. The booth I worked at the majority of my time there sold lemonade and popcorn. Also, I cleaned, and helped with any other tasks around the park.

*Snow Operations, Manning Park Resort, January 2021 - March 2021*

As a part of the weekend Snow Operations team at Manning Park, my duties included customer service, checking that skiers were wearing masks and maintaining social distance in the chair lift lineups, shovelling snow, waste removal, parking lot direction, and other duties as required.

## Volunteer / Extracurricular

I volunteered as a shot clock timer for Heritage Woods Secondary basketball games during the 2021-2022 season. For my extracurricular activities I enjoy playing basketball, and other sports with friends.
